

FINANCIAL ASSISTANCE FOR YOUR ADOPTION- THE FRAN GOSS ADOPTION FUND

Adoption Choices and JFS of Metrowest are pleased to announce the formation of the Fran Goss Adoption Fund. Through generous donations from adoptive families and friends, the Fund provides fee reduction assistance to families of modest means who would otherwise be unable to adopt.

The Fund is named in honor of Fran Goss who along with her husband Terry were foster parents for the Adoption Choices program for nearly twenty years. During that time, they opened their home to many babies who were in transition from their birth parents to their adoptive family. As an adopted person herself, Fran found special significance in caring for these children. Fran, Terry and their two children provided the babies with wonderful physical care and unconditional love. Fran had an especially warm place in her heart for babies with special medical needs. Fran passed away unexpectedly in the spring of 2011. It is our hope that this Fund serves as a fitting legacy and tribute to a wonderful woman who is loved and missed by many.
